PREFACE

The present publication "Health Profile of Sindh by District" is the seventeen issue published by Bureau of Statistics. It contains latest available information of health facilities covering institutions with bed capacity, medical & para-medical staff as on 01-01-2015. Other outlets such as leprosy clinics, maternity homes, homoeopathic dispensaries, trauma emergency centers, unani shifa khanas, urban health centers & units also covering in Sindh by district in this publication. Apart from the above information, this profile also covers district wise population served by a doctor, nurse and bed Capacity of all sectors.

The information of oral polio vaccines district wise included in this publication first time in 2013.

However, the detailed number of indoor and outdoor patients by district for the year 2014 includes in this publication first time.

The co-operation extended by Directorate General, Health Services, Hyderabad in providing health data is gratefully acknowledged and look forward to their co-operation in future as well.

It is hoped that data contained in this profile will be of immense use to Administrators, Planners, Policy makers, Research Scholars and those concerned with health sector.

I want to place on record the efforts made by Muhammad Hanif Statistical Officer of Social Statistics Section who compiled and prepared this profile.

Suggestions, if any, for further improvement will be welcome.

Dated: February 2016.
