PREFACE

The present publication "**Health Profile of Sindh by District**" is the Fourteenth issue published by Bureau of Statistics. It contains latest available information of health facilities covering institutions with bed capacity, medical & para-medical staff as on 01-01-2012. Other outlets such as leprosy clinics, maternity homes, homoeopathic dispensaries, trauma emergency centers, unani shifa khanas, urban health centers & units in Sindh by district. Apart from the above information, this profile also covers district wise population served by a doctor, nurse and bed Capacity of all sectors.

The co-operation extended by Directorate General, Health Services, Hyderabad in providing health data is gratefully acknowledged and look forward to their co-operation in future as well.

It is hoped that data contained in this profile will be of immense use to Administrators, Planners, Policy makers, Research Scholars and those concerned with health sector.

I want to place on record the efforts made by Social Statistics Section which compiled and prepared this profile.

Suggestions, if any, for further improvement will be welcome.

Dated: 14-05-2013
