

**PEW RESEARCH CENTER  
2017 SCIENCE NEWS & INFORMATION QUESTIONNAIRE  
MAY 30 – JUNE 12, 2017**

---

**ASK ALL:  
LIFE**

In general, would you say life in America today is better, worse or about the same as it was 50 years ago for people like you?

- 1 Better today
  - 2 Worse today
  - 3 About the same as it was 50 years ago
- 

**ASK FORM1:  
GREATPAST\_OE**

What would you say was the biggest improvement to life in America over the past 50 years or so?

[OPEN-END]

---

**ASK FORM2:  
GREATFUTURE\_OE**

Now thinking ahead, what do you expect will be the biggest improvement to life in America over the next 50 years or so?

[OPEN-END]

---

**ASK ALL:  
MUSEUM**

Which, if any, of the following have you done within the PAST 12 months? **[RANDOMIZE ITEMS; J always last]**

*Select all answers that apply*

- a. Visited a zoo or aquarium
  - b. Visited an art museum or gallery
  - c. Visited a natural history museum
  - d. Visited a science and technology center or museum
  - e. Visited a national, state or county park
  - f. Visited a public library
  - g. Attended an event with live music
  - h. Attended a sporting event
  - i. Attended a lecture or talk about science
  - [SPACE]**
  - j. None of these **[ANCHOR]**
- 

**ASK ALL:  
TOPICINT**

How interested are you in news about each of the following topics? **[RANDOMIZE]**

- a. Government and politics news
  - 1 Very interested
  - 2 Somewhat interested
  - 3 Not too interested
  - 4 Not at all interested

- b. News about your local community
- 1 Very interested
  - 2 Somewhat interested
  - 3 Not too interested
  - 4 Not at all interested
- c. Sports news
- 1 Very interested
  - 2 Somewhat interested
  - 3 Not too interested
  - 4 Not at all interested
- d. Business and finance news
- 1 Very interested
  - 2 Somewhat interested
  - 3 Not too interested
  - 4 Not at all interested
- e. Science news
- 1 Very interested
  - 2 Somewhat interested
  - 3 Not too interested
  - 4 Not at all interested
- f. Entertainment news
- 1 Very interested
  - 2 Somewhat interested
  - 3 Not too interested
  - 4 Not at all interested

---

**ASK ALL:**  
**SCIOFTEN**

Thinking just about science news...

How often do you read, watch or listen to news about science? {new}

- 1 Nearly every day
- 2 A few times a week
- 3 A few times a month
- 4 Less often

---

**ASK ALL:**  
**TOPICS1**

Which statement best describes how you get science news? [RANDOMIZE]

- 1 I get science news on just a couple of topics
- 2 I get science news on a lot of different topics

---

**ASK ALL:**  
**TOPICS2**

Which, if any, of these science-related topics are you interested in? [RANDOMIZE items A to G; with H and I always last]

*Select all answers that apply*

- a. Health and medicine
- b. Technology
- c. Energy and environment

- d. Food and nutrition
  - e. Space and astronomy
  - f. Evolution of humans and animals
  - g. The mind and brain
  - h. Other **[ANCHOR]**
- [SPACE]**
- i. None of these **[ANCHOR]**
- 

**ASK IF SELECTED TWO OR MORE TOPICS (TOPICS2a-h=1):**

**TOPICMOST**

And, among those, which are you MOST interested in? **[SHOW ONLY THOSE SELECTED IN TOPICS2; KEEP IN SAME ORDER AS TOPICS2]**

- 1 Health and medicine
  - 2 Technology
  - 3 Energy and environment
  - 4 Food and nutrition
  - 5 Space and astronomy
  - 6 Evolution of humans and animals
  - 7 The mind and brain
  - 8 Other
- 

**ASK ALL:**

**SOURCE1**

Which statement best describes how you get science news? **[RANDOMIZE]**

- 1 I get most of my science news from a couple of specific sources
  - 2 I get science news from many different sources
- 

**ASK ALL:**

**SOURCE2**

Which statement best describes how you get science news? **[RANDOMIZE]**

- 1 I get most of my science news from sources that specialize in science topics
  - 2 I get most of my science news from sources that cover all sorts of general news topics
- 

**ASK ALL:**

**ENJOY**

How much would you say you enjoy following news about science compared with other kinds of news?

- 1 A lot more than other news
  - 2 More than other news
  - 3 Less than other news
  - 4 A lot less than other news
- 

**ASK ALL:**

**KNOWLEDGE**

How much would you say you know about science?

- 1 A lot
  - 2 Some
  - 3 Not much
  - 4 Nothing at all
-

**ASK ALL:  
SEEK**

Which statement best describes how you get science news? **[RANDOMIZE]**

- 1 I mostly get science news because I'm looking for it
  - 2 I mostly get science news because I happen to come across it
- 

**ASK ALL:  
SOURCE3**

Which of the following, if any, do you regularly get your science news from? **[RANDOMIZE ITEMS, WITH J AND K ALWAYS LAST]**

*Select all answers that apply*

- a. News outlets that cover a range of topics
  - b. Documentaries or other science video programs
  - c. Science magazines in print or online
  - d. Online discussion forums about science
  - e. Science podcasts or radio programs
  - f. Family, friends and acquaintances
  - g. Government agencies
  - h. Advocacy organizations
  - i. Science and technology centers or museums
  - j. Other websites and blogs focused on science
- [SPACE]**
- k. None of these
- 

**ASK ALL:  
SOURCEALT**

Do you regularly get science news from sources that provide alternative perspectives to conventional science or medical research, or don't you do this?

- 1 Yes [please specify which source(s)]
  - 2 No
- 

**ASK ALL:  
SCIWHY**

Here are some reasons people follow news about science. Is each a reason you follow news about science, or not? **[RANDOMIZE ITEMS]**

- a. I enjoy talking with others about what's happening in science
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- b. It is related to the things I need to know or do for my job
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- c. It helps me make decisions about everyday life for me and my family
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- d. I feel I have a social or civic obligation to stay informed about science
  - 1 Yes, a major reason

- 2 Yes, a minor reason
  - 3 No, not a reason
  - e. I am curious about what's happening in science
    - 1 Yes, a major reason
    - 2 Yes, a minor reason
    - 3 No, not a reason
  - f. It is related to my children's activities, interests, or education **[ASK IF PARENT OF CHILD UNDER 18]**
    - 1 Yes, a major reason
    - 2 Yes, a minor reason
    - 3 No, not a reason
  - g. It is related to my activities, hobbies or interests outside of work
    - 1 Yes, a major reason
    - 2 Yes, a minor reason
    - 3 No, not a reason
- 

**ASK ALL:  
WHYNOT**

Here are some reasons people DO NOT follow news about science more often. Is each a reason that you don't follow science news more often, or not? **[RANDOMIZE ITEMS]**

- a. Science news is boring
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- b. Science news is hard to understand
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- c. I often disagree with the news I see about science
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- d. Science news is less important to keep up with than other topics
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- e. I'm too busy to keep up with science news more often
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- f. I already get enough science news
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- g. The sources I regularly get news from do not cover a lot of science news
  - 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- h. The science topics I am most interested in are not covered often

- 1 Yes, a major reason
  - 2 Yes, a minor reason
  - 3 No, not a reason
- 

**ASK ALL:  
NEWSJOB**

Overall, how would you rate the job news media do in covering science? {mod W17}

- 1 Very good job
  - 2 Somewhat good job
  - 3 Somewhat bad job
  - 4 Very bad job
- 

**ASK ALL:  
NEWSFACTS**

How often, if ever, do each of the following sources GET THE FACTS RIGHT when it comes to science? **[RANDOMIZE ITEMS IN SAME ORDER AS SOURCE3]**

- a. News outlets that cover a range of topics
  - 1 Almost all of the time
  - 2 More than half of the time
  - 3 About half of the time
  - 4 Less than half of the time
  - 5 Hardly ever
  - [SPACE]**
  - 6 I don't know enough about this type of source to rate

**ASK ALL:  
STORIES**

Do you ever read, watch or listen to news stories that report... **[RANDOMIZE ITEMS;  
ITEM H always last]**

*Select all answers that apply*

- a. A new scientific discovery  
 b. Scientific information that helps you make decisions about everyday life for you and your family  
 c. Disagreement among scientific experts  
 d. Scientific research findings that conflict with earlier research findings on the same topic  
 e. Strange or weird scientific research findings  
 f. Scientific research findings that seem completely made up  
 g. Stories about a science researcher's misconduct  
**[SPACE]**  
 h. None of these **[EXCLUSIVE PUNCH]**

**ASK IF GETS NEWS THAT HELPS MAKE DECISION (STORIES\_B=1):**

**DECIS\_OE**

What was the most recent science news story you read, watched or listened to that helped you make a decision about everyday life for you or your family?

[OPEN-END]

---

**ASK IF GETS NEWS ABOUT DISAGREEMENTS (STORIES\_C=1)****DISAG\_OE**

What was the most recent news story you read, watched or listened to about a disagreement among scientific experts?

[OPEN-END]

---

**ASK IF GETS NEWS ABOUT DISAGREEMENTS (STORIES\_C=1)****FAKE\_OE**

What was the most recent scientific research finding you saw that seemed completely made up?

[OPEN-END]

---

**ASK ALL:****SNSUSE**

Do you ever use social media (such as Facebook, Twitter, or Snapchat)?

- 1 Yes
  - 2 No
- 

**ASK ALL:****SNSFREQ**

And do you use social media...

- 1 Several times a day
  - 2 About once a day
  - 3 A few times a week
  - 4 Every few weeks
  - 5 Less often
- 

**ASK IF USES SNS (SNSUSE=1):****FOLLOW**

On social media, do you follow any organizations, people or pages that are focused on science?

- 1 Yes, at least one
  - 2 No, none
- 

**ASK IF USES SNS (SNSUSE=1):****FOLLOWANTI**

On social media, do you follow any organizations, people or pages that provide alternative perspectives to conventional science or medical research?

- 1 Yes, at least one
  - 2 No, none
- 

**ASK IF USES SNS (SNSUSE=1):****SNSSCI**

Of the posts you see on social media, how many are about science?

- 1 A lot
- 2 Some
- 3 Not many
- 4 None

---

**ASK IF EVER SEES SCIENCE POSTS ON SNS (SNSSCI=1,2,3):  
SNSCLICK**

When you see science news posts on social media, how often do you click on a link to a news story?

- 1 Often
- 2 Sometimes
- 3 Hardly ever
- 4 Never

---

**ASK IF EVER SEES SCIENCE POSTS ON SNS (SNSSCI=1,2,3):  
SNSSCIIMP**

Which of the following statements best describes you?

- 1 Social media are the most important way I get science news
- 2 Social media are an important way I get science news, but not the most important
- 3 Social media are not a very important way I get science news

---

**ASK IF EVER SEES SCIENCE POSTS ON SNS (SNSSCI=1,2,3):  
SNSPOST**

Thinking about social media posts you see about science, do you ever see posts about ...  
[RANDOMIZE, WITH ITEM J NONE OF THESE ALWAYS AT THE BOTTOM]

- 1 Often
  - 2 Sometimes
  - 3 Hardly ever
  - 4 Never
- 

**ASK IF EVER SEES SCIENCE POSTS ON SNS (SNSSCI=1,2,3):  
SNSTRUST**

Thinking about all of the posts you see on social media about science, would you say you...

- 1 Mostly trust them
  - 2 Mostly distrust them
- 

**ASK ALL:  
PROBSET**

Thinking in general about science news today...

Do you think each of the following is a big problem, a small problem or not a problem when it comes to news about scientific research findings? **[RANDOMIZE ITEMS]**

- a. The news media are too quick to report research findings that may not hold up
  - 1 A big problem
  - 2 A small problem
  - 3 Not a problem
- b. The news media cover too many research findings that are not really important
  - 1 A big problem
  - 2 A small problem
  - 3 Not a problem
- c. There are so many research studies out there it's hard to distinguish between high and low quality studies
  - 1 A big problem
  - 2 A small problem

- 3        Not a problem
- d. The public jumps to conclusions about how to apply new research findings to their lives
- 1        A big problem
- 2        A small problem
- 3        Not a problem
- e. The public doesn't know enough about science to really understand research findings covered in the news
- 1        A big problem
- 2        A small problem
- 3        Not a problem
- f. The news media oversimplify scientific research findings {mod of AAAS svy}
- 1        A big problem
- 2        A small problem
- 3        Not a problem
- g. Science researchers overstate the implications of their research findings
- 1        A big problem
- 2        A small problem
- 3        Not a problem
- h. The news media are too quick to report on disagreement about science research findings
- 1        A big problem
- 2        A small problem
- 3        Not a problem
- 

**ASK ALL:  
BLAME**

Which of these do you think is the BIGGER problem when it comes to news about scientific research findings? **[RANDOMIZE RESPONSE OPTIONS]**

- 1        The way news reporters cover scientific research findings
- 2        The way science researchers publish or share their new research findings
- 

**ASK ALL:  
DISCUSS**

Thinking about the people you talk with, whether in person, over the phone, or online...

How often do you discuss science news with others?

- 1        Nearly every day
- 2        A few times a week
- 3        A few times a month
- 4        Less often
- 

**ASK IF DISCUSSES SCIENCE NEWS AT LEAST A FEW TIMES A MONTH (DISCUSS=1-3):  
LEAD**

When you talk to people about science news, do you tend to... **[RANDOMIZE]**

- 1        Listen to the conversation more than lead
- 2        Lead the conversation more than listen
- 

**ASK IF DISCUSSES SCIENCE NEWS AT LEAST A FEW TIMES A MONTH (DISCUSS=1-3):  
TURN**

Do you typically turn to others for science news, or do people typically turn to you? {

- 1 I turn to others
  - 2 People turn to me
- 

**[RANDOMIZE BLOCKS ENTCRIM1 to ENTCRIM4; ENTHOSP1 to ENTHOSP4; ENTSCIFI1 to ENTSCIFI4 note minor differences in question stem]**

**ASK ALL:  
ENTCRIM1**

How often do you watch entertainment programs or movies that are focused on CRIMINAL INVESTIGATIONS?

- 1 Often
- 2 Sometimes
- 3 Hardly ever
- 4 Never

**ASK ALL:  
ENTCRIM2**

Which comes closer to your view about CRIMINAL INVESTIGATION shows or movies, even if neither is exactly right? **[RANDOMIZE]**

- 1 They generally portray science, technology and medicine in a realistic way
  - 2 They focus on entertainment more than getting the science, technology and medicine in the story right
- 

**ASK ALL:  
ENTCRIM3**

Overall, do you think watching CRIMINAL INVESTIGATION shows or movies...

- 1 Helps your understanding of science, technology and medicine
- 2 Hurts your understanding of science, technology and medicine
- 3 Makes no difference in your understanding of science, technology and medicine

**ASK ALL:  
ENTCRIM4**

Overall, do you think CRIMINAL INVESTIGATION shows or movies...

- 1 Give a favorable impression of working in science, technology and medicine
  - 2 Give an UNfavorable impression of working in science, technology and medicine
  - 3 Give a neutral impression of working in science, technology and medicine
- 

**ASK ALL:  
ENTHOSP1**

How often do you watch entertainment programs or movies that are focused on HOSPITALS AND MEDICAL SETTINGS?
