INTRODUCTION

“Punjab in Figures” is an annual brochure which provides important statistics in respect of Social, Economic, Administrative and Financial aspects of the province at aggregate as well as sectoral levels. This also contains comparative information on Population, Education, Health & Labour force sectors of Pakistan and Punjab province.

It is hoped, this handout will cater the needs of policy makers, planners, administrators, academia, researchers, government departments and other data users in public as well as private sectors.

The cooperation extended by various department/agencies/organization for provision of data is gratefully acknowledged.

Comments and suggestions for further improvement will be highly appreciated
